

Power Play All Hands on Deck

2024 Bimanual Therapy Summer Camp

Led by our specialty trained occupational therapists, All Hands on Deck is a multi-week program that focuses on a two-handed approach in improving upper extremity function in children who have spastic hemiplegia or hemiparesis as a result of cerebral palsy, traumatic brain injury, brachia plexus injury, stroke or other diagnosis.

July 22–August 8

Monday–Thursday

Ages 7–10+

1–4 pm

355 East Erie St., 18th Floor

This program uses a Bimanual Therapy protocol, with a focus on improving the ability to spontaneously coordinate both hands together through repetitive practice of carefully chosen, goal-oriented, two-handed activities.

Participants must be:

- Ambulatory

Camp activities include games, art projects, outings, sensory play activities, and self-care. Children will be evaluated at the beginning and end of camp to measure progress in strength, exibility, and use of the affected arm.

A physician referral/prescription is required to participate in the camp. Participants must have an insurance policy that will cover group therapy.
