

Scoring Information

SCI-QOL, SCI-FI, and TBI-QOL Short-Form

1. After a participant has answered all of the questions on the short-form, sum the responses on the form to create a raw score. The participant should answer all of the questions.
2. Convert that raw score to an IRT-based *T*-score using the appropriate $T_d(-)T_j0k$

If you have questions, contact SCI-QOL@udel.edu
